

# Shredsec

## SECURE SHREDDING SERVICES

### SECURE STORAGE

We supply lockable storage consoles to securely store your material prior to shredding

### NO PRE-SORTING

Our shredders handle staples, paper clips and other fastenings, plus ring binders and lever arch files

### SAFE SHREDDING

Shredding carried out at DIN 4 standard so that data is practicably impossible to retrieve

### FULLY INSURED

Shredsec is insured for loss or damage to tangible property held in trust

### HIGH STANDARDS

All our operational processes are carried out to the stringent standards of BS7840

### SELF DELIVERY

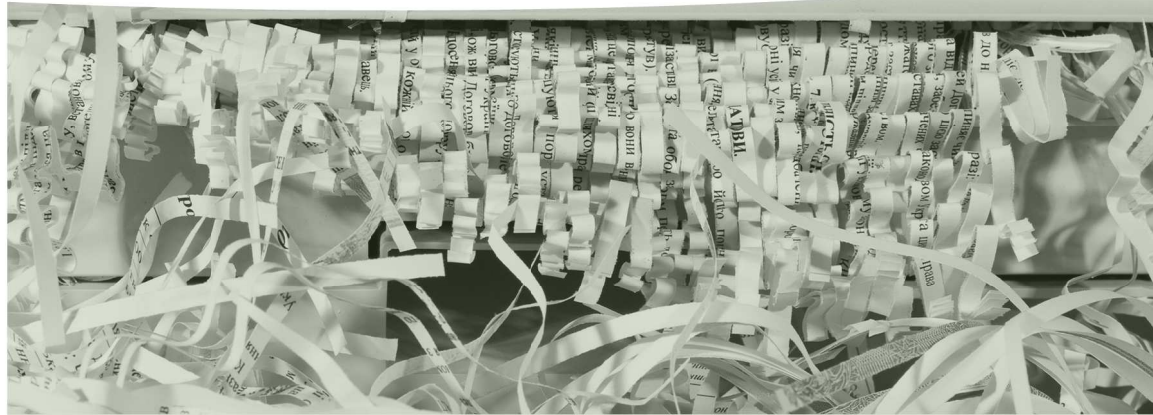

Shredsec do not sub-contract work to other shredding companies

### SECURE STAFF

All Shredsec personnel are CRB checked to ensure your material is secure at all times

Shredsec provides secure shredding services to organisations and individuals throughout London, East Anglia and the East Midlands. Our specialist document shredding solutions are designed for all your confidential waste disposal requirements.

### COMPLY WITH THE LAW

In order to comply with the Data Protection Act, all information of a confidential or sensitive nature must be securely destroyed when it is no longer required. The Information Commissioner's Office has the power to fine organisations up to £500,000 if confidential data is compromised.

### SHREDDING SOLUTION

Shredsec provides a complete solution to ensure you dispose of all your paperwork securely and safely. You will fulfil the requirements of the Data Protection Act and you will have the peace of mind of knowing that your data will have been destroyed in compliance with the law.

### LICENSED WASTE CARRIER

Shredsec Ltd is licensed with the Environment Agency as an Upper Tier Carrier. Our license number is CB/FE5453FN. The license means we have legal permission to carry waste under the Waste Regulations 2011.
